9 notes from a publicist: boris tumanov on anticommunist theories still circulating in west. says some western circles say that while socialist countries of eastern europe do not rejoin capitalist world, peaceful coexistence is compromised.

theoreticians say that all misfortunes of europe after wwii are result of soviet expansionism; but capitalist west destroyed socialist revolutions in hungary and germany after wwi and attacked russia after gosr. imperialism also destroyed socialist experiment in chile. ussr is willing to dismantle war saw pact if nato is

simultaneously dissolved. (6 min: french 1830) US

10 "listeners' program" presented by mikhail sumbatov. he answers letters on various topics. listener denounces u.s. armed intervention in grenada. another listener says that answer is to be found in dra foreign ministry statement on subject. other letters include questions on facilities in soviet union. (11 min: persian 1800) US
